UTM FOUNDATION PROGRAMME

Shaping The Best Quality In You

INTRODUCTION

- The UTM Foundation Programme is an academic programme offered by Universiti Teknologi Malaysia (UTM) which provides students an alternative choice of pre-university education, other than matriculation, the Malaysian Higher School Certificate (STPM), and other foundation programmes recognized by the Malaysian government.
- It provides students with the basic knowledge required for Engineering, Science and Social Sciences' Degree programmes that will prepare them for their next education pathway in UTM Bachelor's degree programme.
- The duration of this programme is one year which is in a full time mode. The students' academic load is spread over a course of three semesters (52 weeks) with several courses being delivered and assessed in each Semester.
- There are 2 intakes per year for UTM Foundation Programme: MAY & JULY.

PROGRAMME STRUCTURE AND SPECIFICATION

Study Mode

The UTM Foundation Programme is offered in a full time mode. Students attend lectures, complete assignments, undergo periodical tests and end-of-semester examinations, similar to their counterparts in other pre-university education pathways.

The total credit hours of the UTM Foundation Programme is 50 credit hours. In the first semester, students will take four subjects with a total of 10 credit hours, while in the second and third semester, students will take 7 subjects with a total of 20 credit hours for each semester.

Assessment

Courses:

- 50 % Course work
- 50 % Final Examination

Laboratory work:

- 100% Course work

Skill acquisition (Lab incorporated):

- 50%- 60% Course work
- 40%- 50% Final Examination
